Celebrating 30 years of Georgia's Pre-K!

Celebrate Georgia Pre-K Week 2022 with activities inspired by this year's official book *Hey, Georgia* by Malcolm Mitchell. Share your activities using #GaPreKWeek.

### Georgia on My Mind

From our <u>state flag</u> to our <u>state flower</u>, and from our state bird to our thrilling sports teams, <u>explore</u> all that is uniquely Georgian. <u>Peach pie smoothies</u>, anyone?

# **Celebrating Our Differences**

Hey, Georgia encourages us to celebrate what makes each of us unique. Sharing our favorite foods, colors, and books is a great start. Bonus: In honor of National Book Month, have everyone dress up as character from their favorite book.

# **Opposites**

Is it <u>over or under?</u> Can you make a <u>serious</u> face and then a <u>silly</u> face? Develop new vocabulary words as you look at the sets of <u>opposites</u> found in <u>Hey, Georgia</u> and all around you.

# Young Explorers Use Maps

Help your young explorers <u>find Georgia</u> on a <u>USA map</u> or color your county on a <u>Georgia map</u>. You can explore Georgia's terrain, resources and history in <u>this video</u>, too.

# Rhyme Time!

Rhyming brightens our language, aids in memorization & word association, and <u>promotes early literacy</u>. Here are ideas from <u>PBS Kids</u> and <u>Education.com</u>, and from a <u>fellow GA Pre-K teacher</u>. Rhyming Bingo is a favorite!

# Pep Rally for Georgia's Pre-K!

Since 1992, Georgia's Pre-K program has educated more than 1.8 million young learners. Host your own pep rally with flags, foam fingers, megaphones & pom poms!
