If one bridge wasn't enough, we also have our smaller bridge which spans 300 feet across and 125 feet from the bottom. Cross the suspension bridges for an unforgettable thrill or simply witness for yourself, from an eagle's perspective, the majestic span of the bridges and absorb the beauty of your unique surroundings. View the depths of the canyon where a beautiful spring-fed lake reflects the breathtaking mountain range in the distance. Your journey doesn't end at the top. Explore our numerous wilderness trails, follow the stairs cascading into the canyon and hike along the shoreline for a complete grand tour of the grounds. For the ultimate thrill seeker, take a ride on Canada's longest, highest, fastest and safest zip line. At half a mile long, 175 feet high and reaching speeds in excess of 45 mph, you will soar like an eagle down the centre of the canyon for an exhilarating 60 second thrill ride to the canyon floor. HIGHWAY 11/17
EAGLE CANYON ADVENTURES

Eagle Canyon Adventures is Lake Superior's Circle Tour #1 Adventure Attraction. We are home to both Canada's longest suspension bridge AND Canada's longest zip line. Our bridge extends an amazing 600 feet across the canyon and hangs at the height of 152 feet above the canyon floor. If one bridge wasn't enough, we also have our smaller bridge which spans 300 feet across and 125 feet from the bottom.

**CANADA'S LONGEST
ZIP LINE SUSPEN-
SION FOOT BRIDGE**

Cross the suspension bridges for an unforgettable thrill or simply witness for yourself, from an eagle's perspective, the majestic span of the bridges and absorb the beauty of your unique surroundings. View the depths of the canyon where a beautiful spring-fed lake reflects the breathtaking mountain range in the distance.

Your journey doesn't end at the top. Explore our numerous wilderness trails, follow the stairs cascading into the canyon and hike along the shoreline for a complete grand tour of the grounds.

For the ultimate thrill seeker, take a ride on Canada's longest, highest, fastest and safest zip line. At half a mile long, 175 feet high and reaching speeds in excess of 45 mph, you will soar like an eagle down the centre of the canyon for an exhilarating 60 second thrill ride to the canyon floor.

Whether you are looking for the ultimate adventure or for relaxation at an outdoor paradise, Eagle Canyon is your all-in-one destination.

We are just minutes away from all the amenities the town of Dorion has to offer, and only 45 minutes East of Thunder Bay.

Experience the magic of the Season!

by visiting Bill Martin's today

Now into the third generation, Bill Martin's Nurseryland Inc. is a successful family business that began in 1927 as the Martin Coal Company. Fuel oil was added to the operation in the 1940's and in 1959 landscaping and a retail garden centre became the primary business. Today, the Company continues to grow year-round with a full service garden centre, landscaping and snow clearing service, gift shop and an extravagant Christmas showroom at our Court Street location. The expertise and experience of Bill Martin's brings you the best for all four seasons.

Bill Martin Jr. had a great love for Christmas and in 1979, introduced the first Christmas Wonderland to Thunder Bay. Flocked Christmas trees in pastel shades of peach, pink, blue and white were on everyone's must have list.

Today, around the beginning of November, Bill Martin's Nurseryland becomes Bill Martin's Christmasland with a breath-taking transformation of 2,800 sq. ft. into a Christmas showroom. All displays are artistically created by in-house designers to make it easy for you to bring the magic into your own home and to create a stunning tree that compliments your décor. Come see what everyone is talking about and discover an enchanting world of Christmas décor in traditional, woodland, elegant and contemporary themes.

Bill Martin's gift store is like no other with year-round artistic displays of unique products that will have you wanting to come back again and again. Browse and enjoy the collections of home and garden décor, jewelry and fashion items to find that perfect gift for someone or that special something for yourself.

You will find an ever-changing inventory of the latest trends and styles in jewelry, scarves, shawls, sweaters, handbags and accessories. Bill Martin's is your exclusive retailer for Beside-U, a collection of RFID guarded handbags, totes and casual day bags to perfectly match any style and function. Also look for Pinkstix and Louenhide vegan leather purses, H2Z with Swarovski Elements, Caracol from Quebec, Jaqueline Kent and Merx Jewelry. SteelX is an urban and edgy stainless steel jewelry collection for both men and women.

Brand new this season is Sharon Nowlan's fine art collection created with pebbles and sea glass and reflective of the beautiful land and seascapes of Nova Scotia where she grew up. Sharon's inspirational framed art celebrates the moments and relationships that touch the heart.

A stunning selection of home and garden décor includes nautical, wilderness, floral and contemporary themes with gifts for the wine lover, coffee lover and pet lover or anyone else on your list. Wall art, Gargoyles, garden gnomes, stepping stones and hand tuned wind chimes are among the many unique items available. Gift cards are always a perfect choice for anyone on your gift list.

Bill Martin's is conveniently located in the Heart of Thunder Bay and offers you an unforgettable Christmas experience where the sights, sounds and smells of Christmas come together in a magical setting.

Is your vehicle ready for winter? Here's a checklist

(NC) The winter months can be hard on your vehicle – think slushy, hard-to-drive-on roads and freezing temperatures making your engine work harder. Protect your investment with these maintenance tips from the auto experts at OK Tire.

Winterize your wheels. We know all-season tires just won't cut it when it comes to tackling cold weather but changing over your wheels is also important. Winter wheels are made of steel, providing a low maintenance, durable solution for the colder months. They are less likely to oxidize from road salt, plus their heavier weight allows them to hold up in snowy conditions. Treat yourself to a pair of winter wheels when you take care of your tire changeover.

Charge up. Batteries vary across vehicles. The most common one you'll see is an SLI (starting, lighting and ignition) battery that takes care of your ignition, lights, radio and overall start-up. Lithium-ion batteries are also gaining popularity in hybrid and electric vehicles, storing more energy and weighing less. Whatever battery your car runs on, the sub-zero weather means it will need a little more energy to get going. Get a test done to ensure your battery is performing at its best and doesn't need to be replaced.

Stay slick. Oil is your vehicle's lifeblood, and in the winter it needs a little more love than usual. Oil can thicken in the cold, so consider synthetic oil that flows smoothly through the engine lubrication system in sub-zero temperatures. Finally, make sure to keep up on oil changes. On average a vehicle will need two to four oil changes per year, but this may increase in winter.

Top up fluids. Things like wiper fluid, oil, and brake fluids should all be topped up ahead of winter. Wiper fluid is especially important as you'll likely be dealing with a lot more dirt and salt from the roads at this time of year. Visibility is crucial to safe driving, so why not make sure things are optimized for a clear view of the road ahead? Opt for a winter fluid to avoid freezing and sun glare on your windshield.
