Methodology

The analysis in this report is based on results of a survey conducted from February 10th-11th, 2024 among a sample of 1121 adults, 18 years of age or older, living in Ontario and are eligible to vote in provincial elections. The survey was conducted using automated telephone interviews using Interactive Voice Recording technology (IVR). Respondents were interviewed on landlines and cellular phones. The sample was weighted by age, gender, and region according to the 2021 Census. The survey is intended to represent the adult population in Ontario.
This survey was sponsored by the Trillium.

The margin of error for the poll is +/- 2.9%, at the 95% confidence level. Margins of error are higher in each subsample.

Totals may not add up 100% due to rounding.

Ford PCs: For The People?

As you might remember, Doug Ford and the Progressive Conservatives campaigned on the slogan of "For The People" in the 2018 election, implying that they would work for all Ontarians and not for special interest groups.
Do you think that the Ford government has lived up to that slogan?
